
RULES AND PROCEDURE FOR SPOT ROUND Admission M.Tech. (CSE & ECE) 2020-21
(with extension notice)
Announced on 27th July 2020

Spot round registration date has been extended till 31 July 2020. Hence the spot round admission is being postponed to 2nd and 3rd August 2020.

In addition to earlier eligibility (which is given below), now the merit list has also be extended to include few more candidates, the extended merit list will be published on 28th July 2020. All those who are meeting the spot round eligibility criteria mentioned at pnt 2 below and are there in the extended merit list will be eligible to participate in the spot round admission. Process of participation and other procedure will be same as previously announced.

The eligibility and application process etc. are given below;

1. Vacancy position: Same as announced on 25th July 2020.

2. Who are eligible to participate in spot round

Candidates who have already done ONLINE registration after paying Rs.510/-, and are in the merit list available on IIIT-D Website(<https://iiitd.ac.in/admission/mtech/2020>) are eligible to participate in SPOT Round. Out of those candidates following category are eligible to apply for spot round

- i) The registered candidates in merit list who have not been offered any seat up to third Round.
- ii) The candidates who have withdrawn their admission at any stage.
- iii) The candidates who have been allotted a seat in some round but did not accept the offer of admission.
- iv) **The candidates who are in extended merit list.**

Note: Candidates who have already accepted the offer of admission and not taken withdrawal are **NOT** allowed to participate in spot round.

3. Procedure for spot round

The above-mentioned eligible candidates have to follow the following steps in order to participate in spot round:

- i) Candidates have to **submit their willingness** for participation by **26th 31st July 2020**,

05:00 PM by filling this [FORM](#).

- ii) All candidates who wish to participate in spot round need to pay Rs.50,000/- as participation fee online along with the application form of spot round. (This amount will be refunded to those who are not allocated any seat in spot round).
- iii) Candidates will be called in rank wise over google meet online on the day of spot round and will be offered admission from the available vacant seats which will be announced on July 25, 2020 on our website.
- iv) Google meet link and schedule will be informed to the registered and eligible candidates on ~~26th July~~ 1st August 2020 late evening. Depending on the number of registrations, we may call the candidates in different slot, rank wise. Candidates are advised to check the registered email on regular basis.
- v) If a candidate is called and s/he chooses a seat and the seat is offered to him/her, then it will be announced for the information of all and the same seat will be deducted from the vacancy. Vacancy list will be presented during google meet session for instant verification of vacancy position by other candidates during the spot round.
- vi) The candidate who accepts the admission offer in spot round need to pay the balance fee i.e. Rs.116,934/- within two days, else his/her offer of admission will be cancelled and the fees paid for participation in spot round (Rs.50,000/-) will be forfeited.
- vii) The candidate who accepts the offer in spot round will give his/her consent from his/her registered email id to mtech-admissions@iiitd.ac.in with the following format;
“I am accepting the offer of admission in M.Tech. (CSE/ECE) program with <name of the specialization allotted during spot round> specialization allotted during IIIT-Delhi M.Tech spot round held on <date>. I understand that if I fail to make the remaining payment of Rs.116,934/- by <Date>, then my offer of admission will stand cancelled and spot round participation fee of Rs.50,000/- will be forfeited.”
- viii) The documents verification of the candidates who will accept the offer of admission on the day of spot round admission will be done in a week’s time. In case the documents are not found in order, the admission offer will be cancelled and all the fee paid will be forfeited.
- ix) If a candidate who is not getting his/her preferred choice as per his/her rank during spot round, s/he can opt out of spot round and the spot round participation fee of Rs.50,000/- will be refunded to him/her. S/he need to email this from his/her registered email id to mtech-admissions@iiitd.ac.in in the following format;
“I am not satisfied with the offer of admission in M.Tech. (CSE/ECE) program with <name of the specialization allotted during spot> specialization allotted during IIIT-Delhi M.Tech Spot round held on <date>. I understand that if I am opting out of this then the same seat will be allocated to some other candidate who is below my rank.
I request to refund my participation fee of Rs. 50,000/-”

- x) Whenever the seats are exhausted in any specialization, it will be announced in the google meet session.
- xi) The process will go on till the seats are exhausted or there are no candidates available for offer of admission.
- xii) The participation fee will be refunded to the candidates who are not allocated any seats during the spot round.

4. Important Note:

- i) The Institute reserves the right to change the spot round process. The Institute also reserves the right to fill the seats fully or partially at its own discretion without assigning any reasons thereof.
- ii) Candidate need to ensure Good internet speed, that supports a video call, with possibly negligible interruptions/ drop-outs. Do test your internet connection before the day of the spot round so that you can be certain that it is working.
- iii) Be available for the spot round in a room where you are alone so that you are not disturbed.
- iv) Do make sure the lighting in the room is good and make sure whatever is behind you is simple and appropriate.
- v) Do set the camera up so that you are seen from the waist up.
- vi) Institute will not be held responsible for failure of any internet connection during the online spot round seat allocation process. And if during the announcement of rank s/he is not available, the process will be moved to the next ranked candidates.
